CALL OF SUMMER IS HEARD IN THE LAND

It is the time of the year when women-folk go and buy tobacco and get themselves suspected by the cigar clerks. But that's all right. They don't want it to smoke—just to pack away winter things.

And it's also the time of the year when men-folk cuss their collars and look out the windows, thinking mean thoughts about the weather. Some chaps don't. Instead of sweltering they move over to the Y. M. C. A. and shuck and leap into the white marble-lined swimming pool. The pool is a fair smother of swimmers these afternoons. Most popular place in town. The Y. M. C. A. is standing back of the "summer-in-Arizona" idea with something practical. It is offering special summer rates for the men and boys whose business or finances will not permit them to hike to the hills. Soon, the chance to pull off a half an hour's swimming each afternoon will be about the only thing that makes life worth living to those who are confined in stuffy offices. Good results are being obtained with the summer campaign.

GOODRICH PURSE FOR AUTO CHAMP

Recognition of Drivers of Silvertown Cord Tires Leads Company to Make Big Prize Offer to All

(Special to The Republican)

AKRON, Ohio, May 19.—A generous recognition of the selection by outright purchase by drivers of racing cars of the Silvertown Twin Cord tires for use in contests under no influence of money consideration for so doing has just been announced by the B. F. Goodrich company. The American Automobile Association, the official association of car owners of this country has prepared rules to govern the determination of the actual champion for the season of 1916 and will be the sole arbiter regarding such award.

The Silvertown cord tire is universally recognized as the type of construction universally used by racing drivers. There is no reason why the Goodrich company should extend any award for the purpose of inducing the use of the Silvertown Twin Cord tire and it does not, but gives outright without a string tied to it of any kind, whatever \$10,000 divided between the authoritatively determined champion, the second and third in order, quite irrespective of the make or kind of tire that may be used by said winners.
